WORK EXPERIENCE

Community Assistant, Traditions, OU, Norman, OK   **January 2020 – Present**
- Performed clerical, inspection, and supervisory duties and served as a critical link between students and the Housing and Residence Life Department.
- Held monthly check-in with around 15 residents to ensure that their needs are being met.
- Organized community-building activities to raise awareness about diversity and inclusion to the university student.

Services Specialist, OU Engineering Lab, OU, Norman, OK   **August 2020 – September 2020**
- Provided customer support via phone, email, and face-to-face interactions in our Service Centers.
- Troubleshot minor issues, provide technical support and communicate with various IT teams to resolve more technically advanced customer incidents.
- Performed direct inbound calls across campus as the campus operator for Norman/OKC campuses.

PERSONAL PROJECT

Portfolio Website
- Designed my own personal website, using React JavaScript Library.
- Made the portfolio website to share and showcase my work easily with the employers I would like to work for.

Robofriends
- Created a simple search engine web app, using HTML, CSS, and React library and an API.
- Designed this app, to show the usage of React and APIs.

Ahmad Zahir App
- Developed a music streaming app dedicated to Afghan pop star, Ahmad Zahir, using Java and Android Studio.
- Created for the purpose of having all of the songs in one app

LEADERSHIP AND AFFILIATIONS

E4E (Education for Everyone), Bamiyan, Afghanistan, June 2018 – August 2019
- Led a team of 3 in fundraising and reconstructing an elementary school in Bamiyan province.
- Conducted 3 workshops in English centers in Bamiyan province for over 50 students about scholarship opportunities for studying abroad.
